

Birds of New Zealand: Locality Guide, 2009, Stuart Chambers, 0473153076,
9780473153076, Arun Books, 2009

This third edition brings with it many new places to find birds and some extra species. It also introduced grid references to bird places for the use on Google Earth and on GPS technology. It comes in Wiro binding and perfect binding, the wiro being of more use when used in the field. Colour pictures of each bird are included to help the beginner plus a further number of helpful identification features. According to some this is still the best locality guide available.
